LIQUID FENCE®

Dog & Cat Repellent

The Liquid Fence Story

Clark Kaskie, a retired chemical engineer, moved to the Pocono Mountains of Pennsylvania in 1980. There he became an avid gardener. It took no time to see his plants were being eaten by the "native critters". He tried everything from homemade remedies to costly commercial products to try to stop the damage the animals were causing, but nothing worked. Clark decided to make his own repellent that would not only really work, but be safe for the environment. After years of experimenting, he finally had success! When he shared it with his friends, they told him it could be the savior of many frustrated gardeners and convinced him to market it. His wife, Rosemary, said, "Clark, this works just like a liquid fence". The rest is history!

Proudly Made in the USA!

"It really works!"®

LIQUID FENCE®

Dog & Cat Repellent

Repelente para perros y gatos

Made with Natural Plant Oils — Harmless to Plants & Animals

Proudly Made in the USA!

It's easy to keep dogs & cats away from areas they don't belong!

Directions:

SHAKE WELL! Apply **Liquid Fence® Dog & Cat Repellent** directly to landscaped beds, trees, shrubs, garbage cans or bags and other areas where pets and/ or strays are not wanted. Effectiveness will last a week or more and continue to work as long as the repellent is present. Simply repeat applications as necessary. **Liquid Fence Dog & Cat Repellent** will not harm vegetation. Before spraying on objects such as outdoor furniture or decking, test a small area for staining acceptability. **Recommended for outdoor use only.**

Training tip: Initially, to break a pattern of habitual behavior, the repellent may need to be applied more frequently. As the animal's behavior is changed, the application frequency can be reduced.

It's a terrific training aid... Eco-friendly **Liquid Fence Dog & Cat Repellent** can help your pets learn the correct behaviors that will make them become a better part of the family.

How it works... Pets and strays will habitually visit the same areas, seeking familiar animal scents, to perform their "duties." When **Liquid Fence Dog & Cat Repellent** is sprayed in these areas, it will mask the familiar odors, causing the animals to become uneasy, thus repelling them.

To attach sprayer...
1. Slide down product label. Remove sprayer.
2. Grasp red hose tip and pull coiled tube out of sprayer-head until fully extended.
3. Without removing cap from bottle, remove cap sticker and flip-cap, exposing opening.
4. Firmly insert red hose tip into cap opening until it "snaps".

To spray...
1. Adjust nozzle to spray or stream.
2. To prime sprayer, direct nozzle toward surface to be treated and squeeze trigger several times to draw liquid up through length of tube. **Note:** Keeping sprayer head below the level of liquid in bottle will make priming easier.

After use...
Turn nozzle to OFF (**X**) position.

Active Ingredients: Citronella Oil 0.78%, Eugenol 0.20%, Garlic Oil 0.20%, Sodium Lauryl Sulfate 0.20%, Cinnamon Oil 0.20%, Geraniol 0.10%
Other Ingredients: 98.32%: (Water, Citric Acid)

KEEP OUT OF REACH OF CHILDREN
CAUTIONARY INFORMATION: This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs. **STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°- 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away. **CONTAINER DISPOSAL:** Do not reuse empty container. Dispose of empty container as required by municipal or local laws.

LabelRev-8-13-SC

Totalmente natural • Listo para usarse
Cubre aproximadamente 2,000 pies cuadrados

INDICACIONES DE USO: 1. ¡AGÍTESE BIEN Aplique el **repelente para perros y gatos Liquid Fence** directamente sobre arriates paisajísticos, árboles, arbustos, contenedores o bolsas para basura y otras áreas donde las mascotas y/o animales callejeros no son deseados. Su efectividad durará una semana o más y continuará trabajando tanto tiempo como esté presente. Simplemente repita las aplicaciones cuando sea necesario. **El repelente para perros y gatos Liquid Fence** no dañará la vegetación. Antes de rociarlo sobre objetos tales como muebles de exteriores o terrazas, haga una pequeña prueba para ver su aceptación de manchado. **Recomendado para uso en exteriores solamente. Consejo de entrenamiento:** Inicialmente, para romper un patrón de comportamiento habitual, el repelente puede necesitar que sea aplicado más frecuentemente. Conforme cambie el comportamiento del animal, la frecuencia de aplicación puede disminuirse.

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

Para fijar el rociador: **1.** Deslice la etiqueta del producto hacia abajo. Retire el rociador.
2. Sujete la punta de la manguera roja y jale el tubo enrollado para retirarlo del cabezal del rociador hasta que esté completamente extendido. **3.** Sin retirar la tapa de la botella, retire el adhesivo de la tapa y la tapa que se levanta para dejar la abertura al descubierto. **4.** Inserte firmemente la punta de la manguera roja dentro de la abertura de la tapa hasta que "encaje".

Para rociar: **1.** Ajuste la boquilla para rocío o chorro.
2. Para cebar el rociador, dirija la boquilla hacia la superficie que se va a tratar y presione el gatillo varias veces para que el líquido suba por todo el tubo. **Nota:** Si mantiene el cabezal del rociador por debajo del nivel del líquido en la botella, el cebado será más fácil. ***Después de usar...*** Gire la boquilla a la posición de apagado (**X**).

INFORMACIÓN DE PRECAUCIÓN: Este producto puede ser dañino si se traga. Evite el contacto con los ojos. Si ocurre contacto con los ojos, lávelos inmediatamente con abundante agua. Busque atención médica si esto ocurre.

ALMACENAMIENTO Y ELIMINACIÓN: No contamine agua, comida ni alimentos al almacenar o eliminar el producto.

ALMACENAMIENTO: Almacénese en su envase original, en un lugar fresco y seco e inaccesible para los niños y las mascotas. Protéjalo del calor y del congelamiento. Almacénelo entre 40° - 90°F. Mantenga los envases bien cerrados para evitar su evaporación. Si ocurre un derrame, dilúyalo con agua y lávelo para eliminarlo.**ELIMINACIÓN DEL ENVASE:** No vuelva a usar envases vacíos. Deseche el envase según las leyes municipales o locales en su área.

Liquid Fence® Company, Inc. represents that this product qualifies for an exemption from registration under FIFRA.
